

## HYGIENE AND MEDICAL ProLine TS 63 VP Drying Cabinet

Podab's TS 63 drying cabinets are characterized by their low energy consumption and their short drying time, the two fans creating a perfect balance between the inlet air and discharged air. The ProLine TS 63 VP is shown here.

### DESCRIPTION

- Humidity Tracking System (HTS), which senses the humidity level and stops the drying process when the laundry is dry
- 3 manual programs and 2 automatic programs
- Doors opened at 190 degrees
- Hanging rail rotates out 180 degrees
- 18 bars for a hanging length of 16 m
- Magnetic locking doors system with rubber shock-absorbing protection
- Adjustable feet from the inside of the cabinet
- Removable top for easier handling and installation
